Registrations will be done via on line registration only.

Registration for the 2010 season begins in June.

Deadline for registrations will be August 15, 2010.

The soccer season consists of both spring and fall sessions. Fall session will begin the weekend of September 18-19 and continue through the weekend of October 23-24.

Each player is responsible for their own equipment, including shin guards, AWYSL soccer jersey, white or blue athletic shorts and soccer socks. Soccer shoes are optional. AWYSL soccer jersey, shorts and socks can be purchased at ALLWEAR located at 10802 Waterville St. Whitehouse, OH 43571

There are approximately 60 teams of youth ranging from kindergarten through high school. Much of the success of the program has been because of the willingness of parents and friends to volunteer as coaches and assistant coaches.

Most games are played at the Bluecreek Recreation Area soccer fields located on Providence Street in Whitehouse, Ohio on Saturday or Sunday afternoons.

The one or two weekly practice sessions are held during the week at the discretion of each coach. Practice sessions are held at various locations in the community, including parks, schools, churches and homes. Practice sessions are not held at the playing fields to preserve the fields for the multitude of games played there each weekend.

Coaches will contact players one to two weeks prior to the fall season.
