Anthony Wayne United Indoor Training

Anthony Wayne United will be offering team training in preparation for the spring season. Winter training is optional, but encouraged, for our players. Each team is assigned a time slot during the week for training. Days/times have been arranged to avoid as many conflicts with indoor games as possible. In addition to these sessions, any team that has at least 50% of their team sign-up will be eligible for one additional session per week for free (Friday-Sunday only).

Players need to bring flats/indoor shoes and dress in their practice gear. Sessions will start and end promptly at the designated times. All weather cancellations will be decided by 4:00 pm on the day of the session. Cancellations will be posted on the AW United website, http://www.awsoccer.org/default_united.asp. Interested parties can also call Brian Billings to inquire about cancellations at 419-344-3704.
