

Are you AWAKE?

Drug and alcohol use among youth in our community is a very real and serious issue. **AWAKE** is working to create a strong network of supportive and committed community members in the Anthony Wayne area. We need to work together to take back our kids! We also know we need the support of the entire community to make a difference for our youth over the long term.

AWAKE is a grassroots coalition of concerned and dedicated community members working to prevent drug and alcohol use among youth in the Anthony Wayne community. We are working to build strong families; promote healthy lifestyle choices among youth; and educate and support adults through collaboration with local businesses, parents, youth, educators, law enforcement, faith based organizations, government and other members of our community.

Interested in getting involved? Contact executive director Jill Lipinski at 419.376.5100 or awakeup@sbcglobal.net for further information or to become part of our e-mail list. **AWAKE** has community coalition meetings the third Thursday of the month at 7:00pm in the AWHHS. Our next meeting is May 15, 2008 at 7:00 pm. We will not be meeting in July. Come and see what we are doing, all are welcome!
